The leftmost bars indicate the percentage of the 1908 children in each type of placement prior to the conference. The rightmost bars indicate the percentage of the 1908 children in each type of placement after the conference, indicating that after the conference, more children had moved from a foster care placement to a relative placement or had returned home.

Preparation for Adult Living (PAL) Services Fiscal Year 2006

^{* 403} youth who were not served in FY 2006 received services prior to FY 2006.

The Transitional Living Services Program includes Preparation for Adult Living (PAL) program services to help youth aging out of foster care prepare for adult life, and assist with the initial transition to adult living. PAL services ensure that DFPS foster youth and those aging out of care receive the tools, resources, supports, and personal and community connections they need to become self-sufficient adults. Supportive services and benefits are provided to eligible youth ages 16 to 21, and in some cases up to age 23 for certain educational/vocational needs, to assist when they leave foster care.
