Safe Kids Austin
as you observe
Infant Safe Sleep Awareness Month

October 2013

Children are our brightest rays of hope for the future and deserve the opportunity to grow and thrive in a nurturing, safe environment. Sadly, thousands of infants die due to Sudden Unexpected Infant Death each year, often caused by accidental suffocation in bed. I commend you on your efforts to raise awareness of infant sleep-related death and educate the Austin community about creating safe sleep environments for their children.

First Lady Anita Perry joins me in wishing you the best.

In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin, this the 18th day of September, 2013.
