# **General Placement Search (GPS)**

---

**7/11/22  
Update**

# Providers Statistics

TEXAS  
Department of Family  
and Protective Services

- 99.6% of providers have updated their contact information in GPS.
- New providers are contacted once DFPS contract is executed to assist with first time logins and any questions.

# Preference Data

---

- 84% of providers are successfully entering preference data into GPS totaling over 4200 placements!
  - Leaving 16% of placements with no data in GPS beyond contact information
- 42% of placement updates are coming through electronic data transfer like the Gateway or a Case Management System

# Providing Assistance

---

- DFPS Placement Team compiles weekly data on:
  - Providers entering data
  - Errors with electronic data transfers
  - Preference data that is outside of the license data

We will contact you if we are seeing a concern with your data.
