Description

We are looking for an intern to join the Management Consulting Group within the Texas Department of Family and Protective Services. This role combines public sector consulting with DFPS, offering exposure to policy, operations, and strategic initiatives while developing core consulting skills.

The Intern will support the management Consulting Group by assigning in the design, analysis, and implementation of projects and strategic initiatives that improve agency operations, policy effectiveness, and service delivery. The position offers hands-on experience in government consulting, stakeholder engagement, and process improvement.

Key Responsibilities

- Project Support: assist in defining problem statements, gathering requirements, and developing solutions for internal agency clients.

- Analysis and Reporting: Conduct research, analysis, workflow assessments, financial evaluations, prepare executive summaries, memos, and core support for the development of strategic recommendations
- Other tasks and work as assigned.
